

About Us

AkzoNobel Group

AkzoNobel is a leading global paints and coatings company and a major producer of specialty chemicals. We supply industries and consumers worldwide with innovative products and are passionate about developing sustainable answers for our customers. Our portfolio includes well-known brands such as Dulux, Sikkens, International and Eka. Headquartered in Amsterdam, the Netherlands, we are consistently ranked as one of the leaders in the area of sustainability. With operations in more than 80 countries, our 50,000 people around the world are committed to delivering leading products and technologies to meet the growing demands of our fast-changing world.

AkzoNobel Hong Kong

Akzo Nobel Paints Limited, formerly known as ICI Paints, is part of the largest global paints and coatings company, AkzoNobel, and holds a leading position in the decorative paint industry in Hong Kong.

Technology and innovation have always been at the heart of AkzoNobel. With the integration of ICI and AkzoNobel, we can now leverage on experience and new expertise to open up substantial opportunities for business synergies and improvements.

We are continually developing new products and exploring the hottest colors, providing inspiration and innovation for consumers to fill their dream homes with colors. Our mission is to produce outstanding, colorful paints that enable consumers to paint their homes and enrich their lives - without harming health or the environment. Welcome to our world of color. Free your creativity, and work miracles with visual delights!
